Motor Vehicles Rules.

READ—

Letter dated 18th December 1929, from the President, the Mysore Motor Bus Owners Association, Bangalore City, forwarding for the consideration of Government certain resolutions of the Association requesting among other things that the fee payable under Rule 27 (1B) of the Motor Vehicles Rules in respect of an application for a G Permit to ply a motor vehicle for hire if paid in one District, may not be levied in other Districts in which the vehicle may be permitted to ply.

2. Letter No. Ref. AA 161—30, dated 29th January 1930, from the President, the Mysore District Automobile Association, Mysore, forwarding for the consideration of the Government a resolution of the Association making the same request.

ORDER NO. P. 5260-70—LEGIS. 32-29-14, DATED 1ST APRIL 1930.

Having regard to the fact that the fee referred to above has been prescribed in lieu of the annual registration fee, Government direct that in the case of a motor service traversing two or more Districts, this fee be levied only in respect of the "G" Permit obtained in any one of such Districts and the fact that it has been paid endorsed on the permit by the District Magistrate issuing the permit. If the permit is so endorsed, the District Magistrate of any other District to which the service is permitted to extend may merely countersign the same permit without recovering the fee afresh or issuing a separate "G" Permit. A permit so countersigned will be valid in all the Districts covered by the service for the period of its currency. A separate "H" Permit should, however, be obtained as heretofore from the Deputy Commissioner of every such District on payment of the prescribed road cess.

2. When a "G" Permit has been granted for plying a motor vehicle for hire along any road in a District, the permit holder may during the period of its currency ply the vehicle for hire along any other road in the same District on paying the prescribed road cess and obtaining only a separate road permit in that behalf.
